KEY INFORMATION

TERMS AND CONDITIONS:

Programme Dates and Calendar

- Extra curricular activities will run from 14 September 2026 to 18 June 2027, in accordance with the school calendar. Activities will not take place during school holidays, public holidays, or any other scheduled school closure days, unless otherwise communicated by the school.

- Registration will be open during the first month of each term. Outside this period, new enrolments will only be accepted at the start of the following term, subject to availability.

Registration & Enrolment

- The initial registration will take place through SchoolsBuddy from 3 September at 7:00 p.m. to 6 September at 7:00 p.m. Registration is processed instantly and places will be allocated until all available spots are filled. Once this period has ended, if you are interested in registering for any activity, please write to extraescolares@hamelinschool.com, and we will manage your application.

- Students may attend one free trial session for each extracurricular activity before confirming their enrolment, subject to availability and prior registration with the Extracurricular Activities Department.

- Students may request a change from one extracurricular activity to another after the start of the term, subject to availability. Any additional fees resulting from the change will be payable by the family. No refunds, credits, or proportional reimbursements will be issued where the new activity has a lower fee.

Fees, Renewals & Withdrawals

- Registration for extracurricular activities is made on a term-by-term basis and automatically renews for the following term unless written notice of withdrawal is received at least 15 calendar days before the end of the current term. If such notice is not received, the student will remain enrolled and the corresponding fees will be charged. Fees are payable in full for the entire term and will not be adjusted, refunded or prorated due to absences, illness, late enrolment, early withdrawal, or any other reason preventing attendance.

Attendance & Participation

- Extracurricular activities will continue as scheduled during cultural trips, residential camps, excursions, and other educational visits. Participation in such events does not entitle students to refunds, credits, or make-up sessions for missed extracurricular activities.

- Music classes will only be rescheduled in the event of teacher absence. No make-up lessons, credits, or refunds will be provided for sessions missed by students for any reason.

- Students must bring the appropriate clothing, footwear, and equipment required for their activity. The school reserves the right to restrict participation where the required clothing, footwear, or equipment is not provided.

Uniforms & Special Requirements

- To attend Ballet, Taekwondo, Rhythmic Gymnastics and Judo, students must wear the designated uniform. All HLIS Sports Academy activities also require the official academy uniform. The school reserves the right to restrict participation where the required uniform or equipment has not been provided.

- Students enrolled in Dance, Rhythmic Gymnastics, or Skating may participate in the end-of-year festival. Students who choose to participate must attend the dress rehearsal and purchase the designated costume/uniform, which is not included in the activity fee. Students who do not meet these requirements may be unable to participate in the festival.

Operational Changes

- In the event of adverse weather conditions, activities may be adapted, relocated, rescheduled, or cancelled at the school's discretion.

- The school reserves the right to modify activity schedules, instructors, venues, programme content, or group compositions where necessary for operational reasons. Any such changes will be communicated to families where possible.

- A minimum number of participants is required for an extra curricular activity to take place. The school reserves the right to cancel, merge, postpone, or modify an activity if the minimum number of participants is not reached or if participation subsequently falls to a level that affects the activity's viability. Families will be notified in advance wherever possible.

- In the event that an activity is cancelled, the school will endeavour to offer students an alternative activity of a similar nature or schedule, subject to availability and prior family approval.

Behaviour & Conduct

- Students participating in extracurricular activities are expected to comply with the school's behaviour expectations and standards of conduct at all times. Breaches of these standards may result in exclusion from festivals, performances, matches, competitions, or other related events. In serious or repeated cases, the school reserves the right to suspend or remove a student from the activity without refund.

Acceptance

- By enrolling in an extra curricular activity, parents/guardians and students acknowledge and accept these Terms and Conditions.

2 SPORTS

FOOTBALL

HLIS Football Academy
Join the game, learn, grow and have fun! Our programme, led by professional coaches, helps students develop their football skills in a positive, dynamic and engaging environment. Through age-appropriate training, players improve their technical, tactical and physical abilities while building confidence, making friends and enjoying the game.

New this season: we are introducing a specialised player development programme alongside our regular training sessions. This includes dedicated goalkeeper development sessions and advanced skills training focused on technique, coordination, ball control, speed and decision-making, providing additional opportunities for players to progress.

Football is much more than a sport: it teaches teamwork, respect, commitment, effort and perseverance. Every training session promotes values that support students both on and off the pitch.

Our goal is to combine learning, enjoyment and sporting excellence, helping every player reach their full potential while enjoying the journey.

Fees:

- HLIS Kids Football Academy: €178/term
- HLIS Football Academy (S7, S8, S9, S10): €238/term

BASKETBALL

HLIS Basketball Academy

Step onto the court, learn, grow, and become your best self!

Our programme, led by professional coaches, is designed to help each student develop their game with clear and progressive goals.

We create an active, positive, and motivating environment where boys and girls can improve their technique, coordination, and game vision—all while enjoying every training session.

But basketball is more than just scoring points: it's about commitment, teamwork, leadership, and effort. Each session strengthens values that will support them both in sports and in everyday life.

JUDO

Judo HLIS with Mireia Lapuerta

Discipline, strength, and confidence in every move!

Judo is a martial art that strengthens both body and mind. Through respect, self-control, and perseverance, our students develop physical and emotional skills that will last a lifetime.

This year, we have a unique opportunity: Mireia Lapuerta, current member of the Spanish senior national team and one of the top 50 judokas in the world, will lead the classes alongside the coaches from her club, IPPON+9.

A high-level experience in a safe, motivating environment filled with values.

New!

ATHLETICS

Run, jump, throw, and push your limits!

We are excited to introduce our new Athletics activity, designed to help students discover sport in a fun, dynamic, and educational way.

Guided by specialised coaches, students will develop fundamental motor skills through running, jumping, throwing, coordination, speed, and endurance activities, with all exercises adapted to their age and ability level.

Athletics is the foundation of many sports and contributes to all-round physical development. In addition to improving fitness, it enhances coordination, balance, agility, and self-confidence, helping each student discover and develop their potential.

In every session, we create a motivating environment where effort, perseverance, and teamwork are just as important as results. Our goal is for every child to enjoy the learning process, adopt healthy lifestyle habits, and learn to improve themselves day by day.

An ideal activity for introducing children to sport, improving physical performance, and developing important values such as respect, commitment, and personal growth.

SCHEDULES AND FEES

(Year 2 – Year 7)
Tuesday and Thursday from 17:15 to 18:15

TERM FEE: 198€

ROLLER SKATING

Roller skating is a recreational activity and a healthy, fun sport that greatly improves coordination and balance.

Our students will practice these skills by learning different routines and tricks on four-wheel or inline skates.

Various technical elements are combined, such as jumps, spins, steps, and figures on skates, usually accompanied by musical rhythm.

SCHEDULES AND FEES

YOGA

New!

Yoga offers the opportunity to develop flexibility, balance, strength, coordination, and body awareness, while learning techniques that help them manage stress, improve concentration, and promote emotional regulation.

Sessions combine physical postures, breathing exercises, relaxation techniques, and mindfulness activities, creating a positive environment where students can disconnect from daily pressures, build self-confidence, and enhance their overall well-being.

In addition to its physical benefits, yoga encourages self-awareness, resilience, focus, and healthy habits that can support students both inside and outside the classroom.

A rewarding activity that promotes balance between body and mind, helping students feel more focused, confident, and prepared for the challenges of everyday life.

SCHEDULES AND FEES

3 PERFORMING ARTS

CIRCUS ARTS

New!

Using a variety of circus equipment and engaging activities, they will explore basic juggling, balance circuits, creative movement, adapted acrobatics, and cooperative games, while building confidence, coordination, and teamwork in a fun and supportive environment.

In addition to supporting physical development, this activity helps build self-esteem, confidence, creativity, and social skills, allowing each child to learn at their own pace in a stimulating and encouraging environment.

A wonderful activity full of movement, imagination, and smiles, where children can discover the magic of the circus while learning and having fun!

SCHEDULES AND FEES:

CONTEMPORARY DANCE

Contemporary dance has its roots in classical ballet but combines the freedom and abstraction of movement.

Although technically demanding, contemporary dance also allows for free interpretation and improvisation, encouraging the spontaneous creation of movement.

It helps develop awareness of body posture, increases flexibility and coordination, and stimulates conscious breathing.

Creative dancing is a non-verbal form of communication used to express emotions, ideas, and inner states.

In educational and artistic settings, it promotes the holistic development of individuals, enhancing creativity, self-esteem, and connection with others.

This discipline is based on free, conscious, and expressive movement, with a strong focus on the connection between body and emotion. It is founded on the belief that everyone can communicate through movement, with no need for prior dance experience or technical skills.

LAMDA THEATRE

Give your child the confidence to shine on stage and in life!

Professional actress and teacher Natalie Rosewood is offering LAMDA Acting classes at Hamelin-Laie, taught entirely in English for students aged 9 to 18 with native or advanced English.

The 30-minute lessons, taught individually or in pairs, focus on monologues and duologues from the official LAMDA Acting syllabus.

These sessions help students develop confidence, expression, vocal skills and creativity—abilities that are valuable both in and out of the classroom.

At the end of the school year, families are invited to enjoy a performance showcase.

Students may also take the official LAMDA exam, with higher grades (6–8) earning UCAS points recognized by UK universities.

Natalie has an outstanding 100% pass rate, with most students achieving Distinctions.

DESCRIPTION

INDIVIDUAL INSTRUMENT LESSONS	*Private lessons are offered for the following instruments: piano, drums, electric guitar, classical guitar, electric bass, and ukulele. Classes can be 30 minutes or 1 hour per week. Ideal for in-depth, personalized instrument learning.
INDIVIDUAL INSTRUMENT LESSONS + MUSIC THEORY CLASSES	There is the possibility to complement individual instrument lessons with a music theory group class. This is an almost essential addition for a deeper and better understanding of the instrument itself and to explore something fascinating: ¡how music works!. Students will learn to read musical notes, sing, and train their ear
Combo / Band	*These combo classes are designed for students eager to form a band! The possibilities are endless: groups made up of piano, guitar, drums, bass, and vocals; groups with two or three guitars; drum and guitar duos; piano and vocals. These classes can perfectly complement individual instrument lessons, with just one mandatory rule: ¡the desire to learn and play songs together as a group!.
